

How to book with Kourts

Clinics!

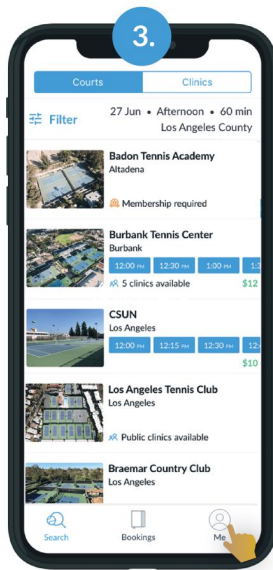

Follow these simple steps to book our clinics on the Kourts app!

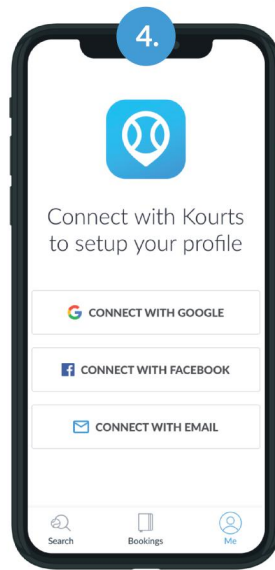

Download the Kourts app on your smartphone. It's available in **App Store** for iPhone and **Google Play** for Android.

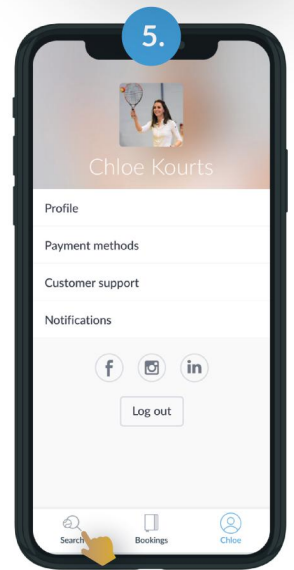

Open the app. Scroll through the introductory slides by clicking **"Next"** or **"Skip"**.

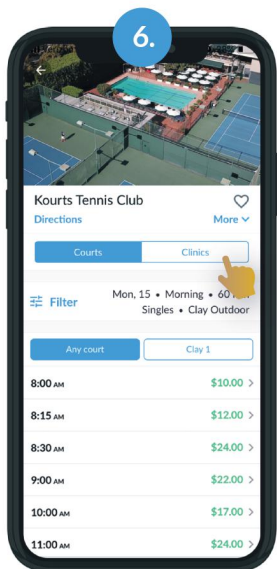

Click **"Me"** to log in. You'll only need to do this once.

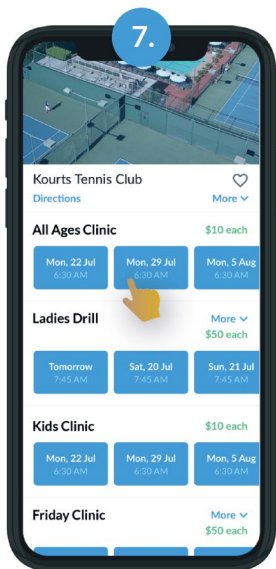

Choose how you'd like to connect to Kourts by clicking on one of the three options. Follow the prompts to log in.

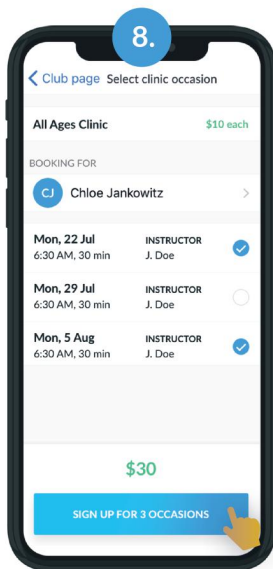

Once you are logged in, click **"Search"** to see a list of clubs in your area.

Click on a facility and select **"Clinics"**.

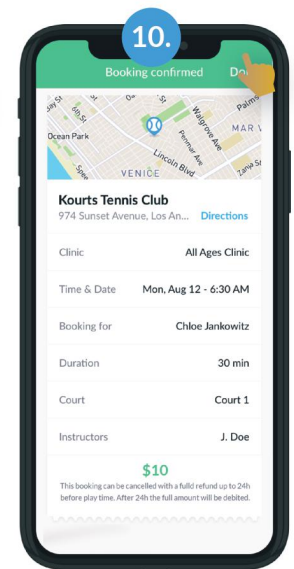

Select the clinic you'd like to book. It doesn't matter which date you click on, you will specify this next.

Select the clinic occasion(s) you'd like to attend. Click the blue button to confirm your reservation(s)!

If required, enter your card information to complete your booking. You only have to do this once! Click **"Done"**.

Review your reservation details and click **"Done"**. You're booked!
